But mere regularity of feature is not the most attractive and strives to make the most of that. But mere regularity of feature is not the most attractive form of beauty.

Mankind is more influenced by the bright glowing vitality of perfect health. A classic cast of countenance will not make a woman attractive and cartivating if she is pale. cast of countenance will not make a woman attractive and captivating, if she is pale, thin, weak and nervous, or has a pimply complexion or unwholesome breath.

These complaints are due to imperfect nutrition. The digestive and blood-making organs fail to extract the needed nourishment from the food, and the liver is too sluggish to cleanse the blood of bilious impurities. The entire constitution becomes weak

and poisoned.

The only perfect antidote for this state of things is Dr. Pierce's Golden Medical Discovery. It gives power to the digestive and nutritive organs to make an abundance of pure, rich, highly vitalized blood, which permeates the whole system with the sweetness of purity; the beauty of womanly vigor and animation.

Miss Julia Ellis, of Faith, McLean Co., Ky., writes: "After suffering for a long while with a lingering disease, I was advised to try Dr. Pierce's medicines. I took seven bottles of the 'Golden Medical Discovery' and 'Pavorite Prescription' and found relief. Life is now no longer a burden to me. I weigh 120 pounds. A year ago I weighed 32 pounds. I shall praise Dr. Pierce's medicines wherever I go. I feel better than ever before. My health was very much impaired, and I feel that I owe a great deal to your wonderful medicines. I truly believe they saved my life. I thank you for the advice which you so kindly gave me wille taking your medicines."
